

## The Beasts of Daniel and Revelation

### In Daniel 2, there is a vision of a statue:

- The Gold head represents the kingdom of Babylon. (612-539 B.C.)
- The Silver chest represents the kingdom of Persia. (539-331 B.C.)
- The Brass waist represents the kingdom of Greece. (331-168 B.C.)
- The Iron legs represent the kingdom of Rome. (176BC-476 A.D.)
- The Iron/Clay feet represent the Roman Catholic Church – (RCC). (476AD-present)
- A stone will be thrown down by Jesus at the end of time, to destroy the Babylonian RCC.

### The 4 beasts of Daniel 7 correlate to the same kingdoms of the statue in Daniel 2.

- The Lion represents the kingdom of Babylon. (A beast represents a powerful kingdom.)
- The Bear represents the kingdom of Persia. (They devoured much flesh.)
- The Leopard represents the kingdom of Greece. (Alexander the Great conquered quickly.)

### The dreadful beast represents the state/church of the Roman Empire, which became the RCC.

- It is terrible and has shed much blood in conquering the world and killing Christians.
- It's different from the other beasts/kingdoms because it is a religious/political kingdom.
- When the Roman Empire fell in 476 A.D., it split into 10 civil kingdoms of Europe.
- 3 of the kingdoms were destroyed by the RCC because they wouldn't bow down to their authority.
- The Vatican is the world's smallest country, so a Little Horn = the little country of the Vatican.

### Daniel 7:25 describes the actions of the beast, which have been fulfilled by the RCC Pope:

- He claims to be God, to provide salvation, and to forgive sins, to be the Vicar of Christ (to be Christ, which is blasphemy against the Most High).
- The Romans persecuted many Christians. The RCC killed from 50-100 million people, many who were Christians, during the Dark Ages and the Inquisition.
- They changed the calendar at the Council of Laodicea. They changed the Sabbath from Saturday to Sunday. They changed the 4<sup>th</sup> commandment in the Catechism to remove idol worship.
- The RCC reigned for 1,260 years. In 538 A.D., they gained religious and civil power when Emperor Justinian issued a decree making the Pope head of all churches. In 1798 A.D., Napoleon's army marched into Rome and captured the Pope, ending the reign of the Papacy. ("Deadly head wound".)

### The sea beast of Revelation 13 matches up perfectly with the beast of Daniel 7:25.

- The sea (or water) in Bible prophecy represents people. This kingdom rose to power out of many different peoples/nations. The RCC rose from the 10 kingdoms of Europe after the fall of Rome.
- The dragon (Satan) gave the RCC his power, his throne and great authority.
- After the deadly head wound in 1798, the Babylonian-based RCC was brought back to life by the Jesuits, and in 1929, Mussolini signed a treaty with the RCC giving them political power once again.
- The RCC speaks great things and blasphemy, just like the little horn in Daniel 7.
- This beast is a persecuting power, just like the little horn in Daniel 7.
- The beast was given power for 42 months, which is the same 1,260 years revealed in Daniel 7.

Daniel 7 says "time(year), times(2 years) and a half a time(1/2 year)", which is 1260 days.

One Jewish year = 360 days, so 360(1 year) + 720(2 years) + 180(1/2 year) = 1,260 days.

Revelation 13 says "42 months". 3.5 years x 360 days in a Jewish year = 1,260 days.

Since 1 day = 1 year in prophecy (see Ezekiel 4:6, Numbers 14:34), 1,260 days equals 1,260 years.

The 1,260 years matches up perfectly with the Great Tribulation time of the RCC from 538-1798 A.D.

### **America is the 2nd beast of Revelation 13, who will enforce the 'mark of the beast'.**

- Revelation 13:11 pinpoints the rising of a great beast. (A beast represents a great nation.)
- This nation comes out of the earth, or wilderness area. (America was not very populated.)
- This nation rises to power around the time that the sea beast goes into captivity. (1800's)
- This nation starts out young, like a baby lamb. (America is a young nation.)
- This nation is lamb-like, with Christian characteristics. (America has a Christian foundation.)
- This nation has horns with no crowns, as it has no kings. (America is a Republic with no king.)
- This nation achieves superpower status and controls the economy. (America is the most powerful.)

### **There's only one nation that fulfills the description of Daniel 13:11-18; the United States of America.**

- America has fallen away from its Christian heritage and has become more Satanic every day.
- Satan seeks to crush God's people. He has used Rome and the RCC, and now he is going to use America (which is controlled by the RCC/Jesuits) to persecute God's true remnant church.

American leaders pretend to be Christian, but their actions show that they are false prophets. They will support the beast RCC system, which is not Christian, and enforce the mark of the beast.

Revelation 19:20 says that the beast was captured, along with the false prophet, who worked signs to deceive people into taking the mark of the beast and worshipping his image.

### **In Revelation 12, Satan the dragon has the same traits as the RCC sea beast, which he empowered.**

- They both have 7 heads and 10 horns.
- Through Rome-appointed King Herod, Satan tried to have Jesus killed when He was a child.
- Satan persecuted the church of Jesus for 1,260 years, driving them into obscurity.
- America provided a safe area to which Christians could flee from the persecutions of the RCC.

### **The Mother of Harlots in Revelation 17 is the Roman Catholic Church.**

- Once again the beast has 7 heads and 10 horns. The 7 heads represent the 7 mountains of Rome. The 10 horns represent the 10 divisions/rulers over the earth, who will give their power to Satan.
- The woman is the religion part of the Roman Catholic Church. The scarlet beast is the civil part of the Jesuits who control the RCC. The Jesuits are not priests and are the true power behind the RCC.
- The RCC colors are purple and scarlet. They possess much gold, as they have stolen the world's wealth through their banking schemes and market manipulation.
- It's called '*Mystery Babylon*' because it pretends to be a Christian church, but it's really the old Babylonian religion of Sun and Satan worship.

### **Revelation 18 announces that Babylon has fallen and the stone of Daniel 2 destroys her.**

- Babylon (the Vatican and all its daughter religions) has become a dwelling place of demons.
- All the kings of the earth have committed fornication with her, and become rich.
- In her was the blood of prophets and saints, who were slain.
- By her sorcery all of the nations were deceived.

The prophecy in Revelation 18 ends by fulfilling the stone of Daniel 2 being cast down on the people of the Babylonian system, to destroy them.

**The takeaway: Satan has empowered the Roman Catholic Church, under covert Jesuit authority, to take control of the world and persecute those who have the testimony of Jesus.**
